Issue Code: 16

There are no plans or proposals in the Y-12 SWEIS to build a new bomb plant or to increase the number of weapons in the Nations's nuclear weapon stockpile. In accordance with Section 91 of the *Atomic Energy Act*, DOE carries out its mission (i.e., atomic weapons activities) consistent with the consent of and direction from the President and Congress. This consent and direction are contained in the Nuclear Weapons Stockpile Memorandum, which is updated annually. The issue of whether DOE should produce nuclear weapons is beyond the scope of the Y-12 SWEIS.
